CONTENTS.

PREFACE.

THIS volume contains Chronological Tables of the Extant Public Acts of Parliament relating to India, and the Acts, Regulations and Ordinances passed by British Indian Legislatures

2 The Table of Acts of Parliament is based on the Chronological Tables prefixed to the "Collection of Statutes relating to India" published in two volumes by the Legislative Department of the Government of India in 1899 1901 Table of Acts of Parliament

3 Column 3 of this Table shows the short title of each Act (whether given by the Act itself or by the Short Titles Act, 1896—59 & 60 Vict, c 14), in column 4 are noted repealing and amending Acts, and in column 5 a reference is given to the volume of the aforesaid Collection of Statutes or the issue of the Gazette of India in which the Acts are republished

4 The Tables of Enactments of British Indian Legislatures are based on the official copies of the Acts, the Ordinances, and the Regulations made under the Government of India Act 1870 (33 & 34 Vict, c 3), and on Clarke's edition of the Regulations of the Madras, Bombay and Bengal Codes published under the authority of the Court of Directors of the East India Company Tables of Enactments of British Indian Legislatures

5. Column 3 of these Tables shows the short title of each enactment, whether given by the enactment itself or by some later enactment.

6 With respect to the entry of repealing enactments in column 4 of these Tables, the following has been the ordinary practice —

(1) where an enactment has been totally repealed more than once, the latest repealing enactment has alone been entered,

(2) where an enactment has been partially repealed and afterwards totally repealed, the total repeal only has been entered : a repeal of the unrepealed portions of an enactment is treated as a total repeal ,

(3) partial repeals covered by later partial repeals have not been entered,

(4) local repeals covered by later local repeals have not been entered,

(5) where an enactment has been locally repealed and afterwards repealed by an enactment whose operation is unrestricted, the later repealing enactment has alone been entered

7 In some cases the particular portions of an enactment which have been affected by later legislation are noted in column 4 of these Tables, as in the Chronological Table of the Statutes published annually under the direction of the Statute Law Revision Committee in London In others, the old style of reference to later enactments has been retained In a future edition it may be possible to follow the English style in all cases

8 There are also noted in column 4 of these Tables—

(1) the declarations made by the Laws Local Extent Act 1874 (15 of 1874), sections 3 to 7 and by the various local Laws Acts and Regulations, as to enactments being in force in particular parts of British India (so far as such declarations have not been superseded by later legislation), and

(2) some other legislative declarations affecting the operation of enactments

The British Baluchistan Laws Regulation, 1890 (1 of 1890) (*see* section 3), the Angul District Regulation, 1894 (1 of 1894) (*see* section 3), and the Burma Laws Act, 1898 (13 of 1898) (*see* the note at the head of the first Schedule) make merely a general *declaration as to amending enactments being in force, without* mentioning such enactments specifically In these cases notes have been entered in column 4 of the Tables against the principal enactments only, and not against the amending enactments

9 The local extent in British India of many enactments has been declared or enlarged by means of notifications issued under the Scheduled Districts Act, 1874 (14 of 1874), and under various other enactments Such notifications are not entered in column 4 of these Tables, which is confined to declarations made by legislation, but they will be found in the Volumes of Statutory Rules

and Orders which have been published by the Government of India and Local Governments The latest editions of these Volumes are as follow —

British India generally—"General Statutory Rules and Orders made under Enactments in force in British India," 3 Vols, 1907

Ajmere—"Local Rules and Orders made under Enactments applying to Ajmere Merwara," 3 Vols, 1902

Assam—"Local Rules and Orders made under Enactments applying to Assam," 1 Vol, 1893, with Supplement, 1901

Bengal and Eastern Bengal—"The Bengal Local Statutory Rules and Orders, 1903," 2 Vols, 1903

Bombay—"Local Rules and Orders made under Enactments applying to Bombay," 2 Vols, 1896 98

Burma—"Local Rules and Orders made under Enactments applying to Burma" 2 Vols., 1903

Central Provinces and the Sambalpur District of Bengal—"Local Rules and Orders made under Enactments applying to the *Central Provinces*," *1 Vol, 1904*

Coorg—"Local Rules and Orders made under Enactments applying to Coorg," 1 Vol, 1905

Madras—"Local Rules and Orders made under Enactments applying to the Madras Presidency" 2 Vols, 1908

North-West Frontier Province and the Punjab—"List of Rules and Orders made under Enactments applying to the Punjab," 1 Vol, 1902

United Provinces—"Local Rules and Orders made under Enactments applying to the United Provinces of Agra and Oudh," 2 Vols, 1904

10 Though most of the Acts of the Governor General in Council apply only in British India, some of them apply also *proprio vigore* to some extent in *foreign territory, e g*, the *Native* Passenger Ships Act, 1887 (X of 1887) All such Acts are entered in these Tables

On the other hand, there are laws made by the Governor General of India in Council expressly for foreign territory under their administration, *e g*, Berar and the Baluchistan Agency. Such laws are not included in these Tables, but they may be found, together with notifications applying to foreign territory enactments passed for British India, in Macpherson's "British Enactments in force in Native States"

11 Where an enactment has been wholly repealed or superseded, or is spent, or has expired, or applies only to the Straits Settlements, the entries relating to it in column 3 of the Tables are printed in italics

12 In column 5 of the Tables are noted the volumes of the revised edition of the Indian Statute book in which the several enactments which are still in force have been or are intended to be published The latest editions of the several volumes are as follow —

The General Acts from 1834 to 1909—6 Vols 1909
The Ajmere Code 1905
The Baluchistan Code 1900
The Bengal Code 5 Vols, 1905
The Bombay Code 4 Vols, 1907 09
The Burma Code 1899
The Central Provinces Code 1904
The Coorg Code 1903
The Eastern Bengal and Assam Code 3 Vols 1907
The Madras Code 2 Vols 1902
The Punjab and North West Code 1903
The United Provinces Code, 2 Vols 1906

13 Some enactments, though still in force have not been published in the revised edition of the Indian Statute book, either because they are of a purely personal character or because their operation has been restricted by subsequent enactments to very limited areas Against each of these enactments the words " Not republished " are entered in column 5 of these Tables

14 All changes which are necessitated by the constitution of the Province of Eastern Bengal and Assam, the transfer of Sambalpur from the Central Provinces to Bengal, and the alteration of the designation of the North Western Provinces and Oudh to the United Provinces of Agra and Oudh have been noted in the Tables

15 The Table of Statutes is corrected up to the 31st December 1908, and two Statutes passed in 1909, which have been published in the Gazette of India are also noted The other Tables are corrected up to the 1st July 1909
